Imagine a world of refined elegance, where luxury knows no bounds. Welcome home to The Villa At The District, Birmingham's first single level living community offering modern urban living with a distinct neighborhood feel.

Starting at \$840,000 to \$1.4 million, The Villa At The District is now available for sale. Designed with the highest attention to detail and a special focus on a sophisticated lifestyle, the community is redefining the essence of quiet luxury living.

Amenities include spacious 2-3 bedroom homes, designer kitchens and owner suites, safe and heated underground parking garage, separate individual storage lockers, private fitness center, on-site property management, and secure interior package delivery area.

Located in Birmingham's popular Rail District, the community is adjacent to the new Big Rock Italian Chophouse restaurant opening in 2025. Residents can experience Birmingham's cultural and entertainment scene while enjoying the ease of condominium living in a quiet, secure, and conveniently located boutique property.

Design Excellence:

At The Villa at The District, you'll experience a thoughtfulness of design that is rarely seen.

Distinguishing features in the building include:
